AN ALLEGED INSANE PERSON.

On this 17th day of July, A. D. 1909, Frank Williams, a person alleged to be insane, was brought before me in open Court, for a hearing and examination on a charge of insanity, on the affidavit of H R Walker, charging him with insanity, made before, and on a warrant of arrest issued thereon by George L. Jones, a magistrate of said County of Nevada, and upon the order of this Court, fixing time and place for the hearing and examination of said charge, made in open Court, and it appearing to the Court that said alleged insane person, when said order was made, was then and there personally present in open Court, and was then and there informed by the Court that he was charged with being insane, and of his rights to make a defense to such charge, and of his right to be represented by counsel, and to produce witnesses on his behalf, and to have subpœnas issued to compel the attendance of witnesses, and was further informed that, if at such hearing and examination, he should be ordered committed, that he might, within five days after the making of such order of commitment, demand that the question of his insanity be tried by a jury before said Superior Court.

And it further appearing to the Court, that the original order fixing time and place for said hearing and examination, was entered in the minutes of the Court by the clerk thereof, and a duly certified copy of said order was duly served on said alleged insane person, and upon

. relatives of said alleged insane person, residing in said County of Nevada, as were deemed by the Court necessary or proper persons to be served with notice of the arrest of said alleged insane person, and of the hearing on said charge of insanity.

At said hearing and examination, said alleged insane person was represented by, an attorney of this Court (appointed by the Court for that purpose).

The Court thereupon, in open Court proceeded with the hearing and examination of said alleged insane person, and Mrs. M. Fuller, John Waters, John Martin, Dr. A K Tickell and Dr. C L.
